

PRESIDENT'S WELCOME – LEE KENNEDY

I am very pleased to see the Riverina Water Ten x 10 Playfest come to life on stage this year.

We welcome five new directors and six new actors which is exactly what we want to achieve with this extremely important yearly event.

We also had three local writers have their plays chosen by the assessors.

How good is that !!

Great job to all actors and directors and congratulations to Margaret Bannister Convenor and Craig Dixon Production Manager for their organisation this event.

CONVENOR'S NOTE – MARGARET BANNISTER

Welcome, Welcome! It's Riverina Water Ten x 10 Play fest time again.

And what an entertaining group of plays are on the program, with writers as close by as central Wagga Wagga to as far away as Miami, Florida. I can promise you will laugh, be touched by the poignancy of some plays, but always entertained!

The Mission Statement of Wagga School of Arts is "Creating Theatre with Local Talent", and this year 13 directors including five first time directors, and 29 actors have the opportunity to bring the plays to life.

What you see on stage really is the tip of the iceberg and represents many hours of hard work and dedication by very many people; all of whom love what they are doing, otherwise they would not be here!

Wagga Wagga School of Arts has a place for everyone. If you had even thought you would like to be involved in Community theatre, please introduce yourself to any of the cast or crew members. There is always a place for you!

My sincere thanks and congratulations to one and all on bringing a great Ten x 10 Play Fest to the stage.
